The most important of the resolutions adopted was one calling upon Mrs. Arnold

Another resolution boycotts any one in Louisville who may bereafter present the play. A third vigorously commends the Play. A third vigorously that the recent legislature for its stand against the recent

Mrs. Easil W. Duke presided over the meeting this afternoon, which was attended by nearly a hundred wives and daughters of Confederate veterans. As a woman present remarked, everybody talked at once, and probably more resolutions were adopted than one here given

SIGK AND AILING WOMEN

Should Write to Mrs. Pinkham, Lynn, Mass., for Advice—It is Absolutely Free and Has Restored Thousands of Women to Health.

All Letters Are Sacredly Confidential and No Names Are Published Without Special Permission of the Writer-All Letters Are Received, Opened and Answered by Women Only - During the Last 20 Years Mrs. Pinkham Has Gained a Greater Knowledge Regarding Female Ills Than Any Other Person, and is Consequently Better Qualified to Advise and Guide Sick Women.

Mrs. Pinkham's Standing Invitation.

In addressing Mrs. Pinkham you are confiding your private ills to a woman-a woman whose experience in treating woman's diseases is greater than that of any living physician-male or female.

You can talk freely to a woman when it is revolting to relate your private troubles to a man-besides a man does not understand-simply because he is a man.

Many women suffer in silence and drift along from bad to worse, knowing full well that they ought to have immediate assistance, but a natural modesty impels them to shrink from exposing themselves to the questions and probably examinations of even their family physician. It is unnecessary. Without money or price you can consult a woman whose knowledge from actual experience is greater than any local physician. The following invitation is freely offered; accept it in the same spirit.

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham at Lynn, Mass. All letters are received, opened, read and answered by women only. A woman can freely talk of her private illness to a woman; thus has been established the eternal confidence between Mrs. Pinkham and the women of America which has never been broken. Out of the vast volume of experience which she has to draw from, it is more than possible that she has gained the very knowledge that will help your case. She asks nothing in return except your good-will, and her advice has relieved thousands. Surely any woman, rich or poor, is very foolish if she does not take advantage of this generous offer.

Vegetable Compound. Four Letters Showing the Result of Mrs. Pinkham's Advice. - Thousands More of the Same Kind Are on File in Her Office

at Lynn, Mass. "DEAR MRS. PINKHAM: - I have been for some years a great sufferer and thought I would write and explain my case to you as you had helped so many others. Menstruation is irregular and very painful. I have suffered with painful periods for ten years but the pains grow worse as I "I suffer most with my back, lower part of abdomen and left side. I

have been flowing all the month and a part of August, not constantly, but will stop for two or three days and then begin again. "The doctor says I have misplacement of the womb. I have bearingdown pains when passing urine, and my abdomen is very badly swollen and sore. Please advise me at your earliest convenience." — Mas. A. V.

Scorr, 21 Page St., Kingston, Pa. (Sept. 30, 1900.) "DEAR MRS. PINESIAM: — When I wrote to you asking advice no one could describe my suffering. The doctors said I could not be relieved unless I had an operation performed, but thanks to you and your medicine I got along without having the dreaded operation. I have taken ten bottles of your medicine and am once more well and happy. Lydia E. Pinkham's Vegetable Compound is a fine medicine and a God-send

to suffering women. I trust my letter may be the means of bringing many of my suffering sisters to accept your kind aid." - Mrs. A. V. Scorr, 21 Page St., Kingston, Pa. (Jan. 30, 1901.) " DEAR MES. PINKHAM :- Some time ago I wrote you that my regular physician had made an examination and told me I was afflicted with a tumor in my womb. I had backache, headache, bearing-down pains, and very profuse menstruation. My limbs would ache so I could not sleep, and I was

very weak and nervous. I was bloated from my head to my feet. After receiving your letter I took Lydia E. Pinkham's Vegetable Compound and Blood Purifier, and followed all the rest of your advice as near as I could, and the tumor was expelled in pieces, and I regained my natural size. I continued taking your Vegetable Compound for a while longer and felt like a new woman. I cannot thank you enough for your kind advice, and what your medicine did for me. It certainly saved my life."—MBS. PERLEY S. WILLIS, Vershire, Vt.

"Dear Mrs. Pinkham: —One year ago I read a letter in a paper telling how much good one woman had derived from Lydia E. Pinkham's Vegetable Compound. I had been sick all winter and was nearly discouraged, as the medicine the doctor gave me did me no good. I had kidney complaint, leucorrhea, itching, bearing-down feeling, and painful meastruation. I wrote to you describing my trouble and soon received an answer telling me what to do. I followed your instructions, and have taken nine bottles of Vegetable Compound, and used one package of Sanative Wash, and one box of Liver Pills. I am well now, do not have those sick spells at the monthly period, but can work all day, and that I never could do until I began taking the Compound. I cannot praise the Compound too highly. I do hope every suffering woman will learn of your remedies and be cured, as I have been. I wish all success to the Compound; it has done wonders for me and I am so thankful."—Mrs. GENIE KELLOGG, Berlin
